

Duo MFA - Rename a Mobile Device

If you added multiple devices, you may want to change the names of your registered devices to make them more recognizable to you. This will help you identify the right device more easily for Duo push during account verification.

Two-factor Authentication (2FA	A) Dev	rice Management Portal	
Welcome to the Device Management Portal for 2	Ā		
Two-factor Authentication (2FA) is an enhancement to the security of your SSOid by adding a simple step to the sign in process to validate your identity when you access certain HKBU IT resources.		Should you need any assistance during the process, please contact our ITO Service Call Centre as follow:	
This website will guide you through the device registration process for ZFA. Once your SSOid is activated with ZFA, you may also manage your registered devices here. Registration is simple and takes only a few minutes to complete. To begin, click the sign in button on screen.		ITO Service Call Centre Tel: (852) 3411-7899 Email: hotline@hkbu.edu.hk

Enter your 'HKBU Email Address' and password (on NEXT page). If you're using non-HKBU networks, you need to answer Security Question after that.

Tips: 'Email Address' is the full HKBU email address instead of SSOid.
