簡介

Introduction

望、聞、問、切，藥湯幾許，銀針數根，助病者驅除痼疾，總是中醫懸壺濟世的心願。而這也就是香港浸會大學自1999年起致力發展優質、有系統中醫藥門診服務，集良醫、治身心的目標。繼成立第一間香港浸會大學中醫藥診所後，一直致力建立其醫療隊伍，並擴大中醫藥診所網絡，至今在香港各區共設立了十多間直屬和合辦的浸大中醫藥診所，規模在本港首屈一指。以妙手治頑症，以仁心助病人。

除了服務廣大市民，這些診所亦是中醫藥學生進行臨床實習的基地；並讓學院的專家學者進行臨床研究，以循證醫學闡述中醫藥的療效。

Every Traditional Chinese Medicine practitioner aims to heal and ease the suffering of the sick. Sharing the same passion for people and their health, HKBU aspires to provide exemplary and systematic Chinese medicine clinical services by bringing together medical practitioners of the highest caliber to offer the community the best treatments for maintaining physical and mental health. Since 1999, HKBU has been leveraging its special expertise to provide a full range of quality Chinese medicine healthcare services to cater for the public. Since establishing its first Chinese Medicine clinic, the School of Chinese Medicine has made continuous efforts to build its medical team and expand its clinical network to serve the community through more than 10 self-run and jointly operated clinics across Hong Kong.

Apart from serving the community, these clinics also serve as a base for students to undertake clinical practice and enable academics and Chinese medicine experts of the School to conduct evidence-based clinical research to elaborate on the effectiveness of Chinese medicine.
